

DIEGO GALLINELLI

CREA - Council for Agricultural Research and Economics (Research Center of Policies and Bioeconomy)

STITUTIONAL ROLES

Research fellow

MAIN RESEARCH INTERESTS

GIS and Geotechnologies, Environmental Risks, Land Use Changing, Agricultural Landscape, Didactics of Geography

ACADEMIC CAREER

Diego Gallinelli is a Research fellow at CREA - Council for Agricultural Research and Economics. He is working on European project "Open IACS" aimed at reusing of administrative data managed within the Integrated Administration and Control Systems (IACS) from European paying agencies as useful tools for monitoring Common Agricultural Policy (CAP) performances.

He is Contract Professor of "Fundamentals of Geography" at the Department of Letters and modern Cultures of the Sapienza University of Rome.

He has been teacher of Geography at the Secondary School from 2019 to 2021.

Since 2016 he participated in several Faculty research project of the Sapienza University of Rome. The main research activity concerned GIS elaboration focused on: changes in urban expansion and land-cover; multitemporal analyzes and reconstruction of past landscapes; evaluation of vulnerability in some areas subjected to seismic risk.

Since 2015 he has been responsible and co- responsible for about ten courses concerning GIS application and Geotechnologies.

Since 2020 he has a PhD in "History, Territory and Cultural Heritage" at Roma Tre University of Rome.

In 2016 he was Winner of "Excellent graduate 2014-2015" Award of the Sapienza University of Rome.

From 2016 to 2018 he was Assistant Chief and since 2018 he is Co-Chief of Editorial Board of "J-READING - Journal of Research and Didactics in Geography.

Since 2015 he is National Advisor of the Italian Association of Geography Teachers – AIIG (regional section of Lazio).

He has been speaker at about 25 meetings, seminars and national and international conferences and he is author of several scientific publications.
